

SCDTI New Hire Assessment Package

Motor Carriers continually strive to hire quality professional drivers to enhance their fleet. Assessing applicants who have been out of the industry for an extended time period is a time and resource challenge. SCDTI has developed a 4 Hour assessment package to address this situation which includes Behind-the-Wheel testing and refresher training/testing.

Package Includes:

In-Class;

- Check of valid DOT Physical Class A CDL License and Medical Card
- 20 Question Test – Computer-Based (Tigertracts) or Hard Copy
 - ❖ All Tests can be customized to Carrier's Specifications
- 3 Load Scenarios in which the applicant will be assessed on trip planning, mapping, logging and routing skills
- CSA and DOT Regulations Refresher
- Information on new Federal Medical Registration on CDL License

Behind-the-Wheel;

- Pre-Trip Inspection
- Road Test with map of test area (Customized for individual Carriers)

½ hour discussion with applicant on their strengths and weaknesses

½ hour discussion with Carrier on the abilities of applicant
